

Transferology

Transferology is a nation-wide network designed to help students explore their college transfer options. Our goal is to save students time and money by providing a quick, intuitive way of getting their college transfer credit questions answered.

Students can answer the question "Will my courses transfer?" by adding coursework, exams, and/or military learning experiences to see how many schools in the Transferology network have matching courses that may be awarded when they transfer. They can also find out what their options are for taking classes over the summer (or whenever) at another school to transfer back to their current school by using the "Find a Replacement Course" feature.
