Johnna's Clinic Corner Question Of The Week

Q: Why do men have nipples?

A: Until 8 weeks of gestation every embryo is considered female and develops nipples and mammary tissue. Since men have mammary tissue also there is a slight but real chance that they can get breast cancer and should be checked if they ever have discharge from their nipple or feel a lump in the pectoral area.

Visit the Student Health Clinic if you have any questions or concerns

Work Out Free

The Fitness Center is FREE for all RRCC students. Bring your current student ID & stop by for orientation.

Fitness Center hours vary each semester, during semester breaks, holidays and school closures. Please call 303-914-6375 or stop by for current hours.
