Help Stop Abuse with Bystander Intervention Tools

Tips for Intervening:

- Approach everyone as a friend
- Do not be antagonistic
- Avoid using violence
- Be honest and direct whenever possible
- Recruit help if necessary
- Keep yourself safe
- If things get out of hand or become too serious, contact the police

FUMBLEROOSKI

over ↗

Need a plan for intervening in a situation potentially involving sexual assault, relationship violence, stalking, or cyberstalking?

Try a play from our bystander intervention playbook.

FUMBLEROOSKI

Divert the attention of one person away from the other person. Have someone standing by to redirect the other person's focus (see "Pick and Roll"). Commit a party foul (i.e. spilling your drink) if you need to.
