**Student/Parent Consent Form
Concurrent Enrollment
Underage Attendance at
RRCC**

RRCC strives to provide quality instruction and support for all students attending post-secondary classes on the campus. Students who are conditionally admitted based on the waiver of age requirement procedure, are granted the same rights and have the same responsibilities as any other college level students. Therefore, it is required that each underage student and her/his parent review the information listed below and sign the acknowledgement indicating that they understand and accept the responsibility for the decision to enroll.

1. I understand that the student must adhere to all SBCCOE and CCCS policies and RRCC procedures and deadlines as outlined in the college catalog, course schedule, and student handbook.
2. I understand that there could be classroom discussion or materials that the student/parent may not consider age appropriate for an underage student. If the student or parent is not comfortable with an assignment or classroom discussion, the faculty member is not required to substitute an alternate activity or grading exercise.
3. I understand that the grade received by the student is part of the student’s permanent academic record and may affect the student’s eligibility for college scholarships or freshman/first time status at other institutions of higher education.
4. I understand that, while the student will have equal access to any academic support services offered to the student body, no extraordinary academic measures will be granted the student.
5. I understand that the student’s academic record (grades, attendance, progress in class) cannot be accessed by the parent without a written release, signed by both the student and the parent. Once a release is secured, information released to the parent must be in the presence of the student or also released to the student.
6. I understand that the faculty member will provide standard updates on academic progress directly to the student. This may include graded homework, graded tests, papers, etc. In a college environment, attendance is not reported nor is the faculty member required to provide written or personal/ telephone summaries throughout the course.
7. I understand that the student is expected to comply with the RRCC Student Code of Conduct. Violations of the Code of Conduct will result in disciplinary action as outlined by the RRCC Discipline Process. Parents are responsible for any student supervision required when the student is on campus but not in class.

I have reviewed the information listed above. I acknowledge the responsibilities and limitations as outlined.
